Life Time Achievement Award

- Dr. K. PORSEZIAN**, Pondicherry University, Puducherry.

Chief Guest, **Dr. Paula Banerjee**, Vice Chancellor, the Sanskrit College and University, University of Calcutta

I congratulate the management, Adv. Dr. P. Krishnadas, Managing Trustee and Dr. P. Krishnakumar, CEO & Secretary of Nehru Group of Institutions for shouldering the responsibility and keeping the oil in the lamp burning of the dream that the founder mentor Late P. K. Das had envisioned for the young minds of the country. Honesty is a virtue that forms an integral part of every individual that should be seen in their work throughout their life. The faculty should strive hard to raise the level of education by their sincere, dedicated and determined approach to bring about a sea of change in the education system as a whole.

In India, the research is self-sufficient rather than being dependent on global help. There are two famous universities of India, Nalanda and Dakshsheela, for the exemplary guidance and mentorship programs to the needs of learners of South Asia comparing NGI to such famous Universities. The faculty in India should hone their skills and talents and raise their competency level, thus competing with the global standards and needs.

Dr. B. ILANGO, Chief of Jury, Former VC, Bharathiar University

The Teachers should constantly upgrade their knowledge and skill sets according to the latest requirements. They should do everything with care and commitment by understanding the basic truth and research. I emphasize the necessity of the young minds receiving in-depth training in honing their communication skills along with a practical approach in learning the subject matter of their respective fields of education. I appreciate Dr. K. Porsezian, Pondicherry University for his efforts in coming up with equations that would help overcome the effects and challenges left behind by the striking of the deadly catastrophe of Tsunami.

Dr. K. Porsezian, Professor, Dept. of Physics, Pondicherry University Puducherry

I thank Nehru Group of Institutions and the Selection Committee for conducting Best Faculty Award. I feel immense pleasure in receiving this award. I request the management to extend this Award to nearby states also, so that, other academicians will be benefitted. Through hard work and commitment I achieved this Life Time Achievement Award. I express my heartfelt gratitude to the dignitaries, faculty awardees and their families, organizers, and each one present who made this event a memorable one.
