ARCHITECTON TROPHY

*"Architecture is a matter of
detailing and they make the design"*

The architectural education shapes the identity of a student. The thoughtfulness regarding its effectiveness develops a mindful individual, and this mindfulness shows itself in different aptitudes and activities. The aim is to identify the design abilities and furthermore properties, for example, – presentation, documentation, perception, observation, specialized and other subordinate aptitudes of the student.

ELIGIBILITY

Open to all undergraduate students of Architecture and only academic works of odd semester of 2018-19 should be submitted.

SUBMISSION CRITERIA

INTRODUCTION SHEET

A compelling presentation about the hopeful and design will give an assessment about their inventive and imaginative reasoning, which will make a good impression for making a decision about judging.

THE PORTFOLIO

- Projects that are worked on during the odd semester of the academic year 2018-19. It should carry a range of works from initial working process to final presentation.
- The YUGTO '19 theme "Transition". Highlight the instances in submission which includes challenged design boundaries, experimented and innovated them.
